Judy is a homemaker while Jeff is a 27-year career agent and financial representative with the New Orleans office of New York Life. Aside from enjoying their home life together in Meadowbrook subdivision, Jeff and Judy travel and spend a lot of time with their good friends and colleagues at New York Life. Jeff really enjoys playing golf! He has already been in touch with the golf pro to spiff up his game so that he can get out on the courses very soon!! Jeff and Judy are very excited about joining Beau Chêne Country Club! They both are anxiously looking forward to meeting and spending time with their new friends!

GREETING TO MEMBERS *by Donald "Don" E. Beaver, Jr., CCM, CCE*

Hopefully, this newsletter will be received prior to the weekend and we may have space remaining to take your reservations for either—or all—(1) **Lobster Night on Friday, March 30th** (2) **Breakfast w/the Easter Bunny and age-specific Egg Hunts on Saturday, March 31st** (ages toddler through 4 and ages 5 to 10) and (3) **Easter Sunday Gala Brunch Buffet on Sunday, April 1st.**

Golf is king in April with **The Masters during the week of April 5th – 8th**; come on out and watch the pros on TV compete with your friends at the Oak Grill. In keeping with another Deep South tradition, a **Bourbon Dinner is slated for Saturday, April 14th** where Executive Chef David Ramey and his crew will craft a special dinner (*see Chef David's article on page 9*) to match up with 4 to 5 premium bourbons. Cost is just \$45/person and should be a grand time! Reservations are required.

For those of you who prefer a brewed event, **Abita Brewing Co.** will be presenting a number of their finest beers on **Saturday, April 21st.** BCCC's Culinary Team will be creating a number of "dinner hors d'oeuvres" for you to match up with your beer(s) of choice. The \$30/person cost is easy on the wallet for delicious locally crafted beer and dinner. Reservations

please. Note: Sitter Service will be available for both the April 14th Bourbon Dinner and the April 21st Abita Dinner.

Please keep in mind your new line-up of evening events at Beau Chêne CC:

- **Wednesday** evenings continue with our family tradition buffet dinner. Family Bingo will be added on Wednesday, April 18th!
- **New evening dinner menus** (*see Chef David's article on page 9*) are finally in place for both the Oak Grill and *Morgan's*. Come on out and discover what's new and exciting at your Beau Chêne Country Club!
- **A la carte dining** is available Thursday, Friday and Saturday evenings in both the Oak Grill for a more casual and family-friendly location and in *Morgan's* for those who might prefer a more formal and adult like setting for their dining pleasure. Please see Chef David's article with respect to Saturdays in April in *Morgan's* featuring dinners with wine, bourbon, beer and Prime Rib in that order.
- Thursday's **Steak Night** has changed to a **Thursday Theme Night** with a number of affordable and rotating main entrees in the Oak Grill along with the a la carte menu. Watch the calendar for Burger Night, Taco Night, Fried Chicken Night, Italian Night, Shrimp Night, etc.
- Our weekly **Sunday Breakfast Buffet**

continues to provide a wide array of high quality dining options from freshly made omelets and waffles to grits and grillades.

Sports activities also dot the April calendar with an inaugural member-run, Club-supported **Geaux Cup golf event on April 5th thru 7th, as well as the Men's Golf Association's second event of the year on Saturday, April 21st**—see Fred's column for details. Second, **swim team registration will be held at the pool on Sunday, April 22nd beginning at 3:30pm.** Next, but certainly not least (or I risk sleeping on the couch), the weekly **Group Fitness Class Schedule** has vastly improved with a greater class selection taught by some of the finest instructors (one of whom happens to be my wife) in the area. See Alysha's article for more details.

Kids' Summer Camp is quickly approaching and I am delighted to announce that **Mrs. Heidi Hages will be serving as this year's Camp Director.** Many BCCC members know Heidi as a local sixth grade teacher, wife and devoted parent of her 11-year-old son. Heidi is promising "a fantastic, amazing and memorable camp experience" for one and all. Sign up now to reserve your spots for any, or all of the seven-week series. Registration forms are available on the Club's website.

A couple of very popular May events are quickly approaching and must be mentioned now to make sure that you

aren't left out:

- **Cinco de Mayo**, Saturday, May 5th with all your Tex-Mex favorites, margaritas and cervezas!
- **Mothers' Day Sunday Buffet** on Sunday, May 13th will surely be a near sellout event.
- **BCCC's Aquatics Facility** with its newly re-built family pool re-opens on the weekend of Saturday, May 19th and on a full-time basis as of Saturday, May 26th!

FACILITY HEADLINES!

- By the time you receive this April issue of the newsletter, the massive **family pool project** should be nearly complete with its new skimmers, tiling, gunnite surface and coping.
- The highly anticipated **Pavilion** (located behind *Morgan's*) should also be nearing completion. This new open-air facility should be able to accommodate weddings, bar-b-cues, crawfish boils, open-air concerts, birthday parties and so much more.

As should be readily apparent, your Beau Chêne CC is ready to provide you a great member experience!

See you at the Club!

TENNIS NEWS

From John Ballard, Tennis Director

Hello April! This is truly one of the best months for tennis! The weather is perfect, everyone is getting outside and there couldn't be a better time to enjoy all that Beau Chêne Tennis Center has to offer!

We're online! With our new online court reservation system, you can now book your court from anywhere! Please feel free to use this new system to book the court yourself or call or stop by the tennis desk and we'll take care of you.

League season is nearing completion. Our Spring teams are all in the hunt to go to State this June. All of them are in either 1st or 2nd place with about a month left to go. Finish strong everyone!

Regarding our upcoming social mixers and tournaments, we have both some

additions as well as changes we'd like to mention. While we had originally planned to host the MDA "Serving Up Strength" one day charity tournament in April, we felt it would better suit us to wait and plan for it to be a bigger event next year. However, looking ahead to November 8-11, we will be hosting what will be our signature charity event, the **Boys Hope/Girls Hope Mixed Doubles Team Tournament**. More detailed information to come later this year.

Finally, summer is quickly approaching. We will be offering multiple **junior tennis camps** throughout the summer, beginning in June. This is such a fun way for kids to learn and enjoy this great sport! As a reminder, with our air-conditioned indoor courts, it's never too hot and we're never rained out!

As always please feel free to call or stop by the tennis desk for more information. We're happy to help!

Northlake Senior Team "they know how to celebrate St. Patty's Day!"

FITNESS NEWS *Alysha Schroeder, Fitness Director*

Please join us in welcoming **Lorraine Beaver** and **Michelle Braiwick** to our amazing team of Group Exercise Instructors!

She strives to share her enthusiasm with others and make each class challenging and fun for beginners to advanced! Her goal as an instructor is to make the class so motivating and fun that no one watches the clock! From her high intensity **Tabata class, Yoga/Pilates “Fusion”, Stretching, or Kettlebell class** - you name it, Lorraine wants to make your class experience unique and challenging! Her motto: You have one body - let’s make it the best it can be!

Lorraine Beaver

Lorraine’s fitness career began in Chapel Hill, North Carolina, where she also met her husband, Don - they’ve been married for thirty-four years!

Once she started teaching “hardcore” aerobics, she was hooked and hasn’t stopped since.

Since those early days of the aerobic revolution, Lorraine has expanded her knowledge, growth, and experience into many various forms of exercise.

Michelle Braiwick

A native of Louisiana, Michelle was born and raised on the Northshore. Michelle graduated from Fontainebleau High School, where she was both a cheerleader and on the dance team during her time there. Michelle has been the

Lugene Naparalla, Carolyn Miller, Judy Kenter, Norma Lee Gautreaux, Sue Craig, Mary Piper and John Pasqua

membership director at Beau Chêne Country Club for almost two years. When classes were being offered at the fitness center Michelle jumped on the chance to teach **barre classes** when her schedule allowed. Being a dancer for over 20 years, fitness and dance were naturally a passion and she truly enjoys developing challenging and fun classes for her clients. Michelle was certified to teach barre in 2015 and has been embracing the exercise ever since.

APRIL DINING AT BEAU CHÊNE

by Executive Chef, David Ramey

Looking to the future we are excited to bring new dining opportunities to you!

Starting with “Themed Thursdays”...

every Thursday night we will now be featuring a select menu in the **Oak Grill**, in addition to our a la carte menu. We are looking forward to this month’s line-up, including; **Burger Night, Taco Night, Fresco Italiano, Chicken Wings by the Pound and a Shrimp Basket night.**

On Saturday Nights in Morgan’s we will now have “**Tastings and Carvings**” in addition to our a la carte menu. Each week we will set up a special menu for

your enjoyment. For more information and in-depth menus, look to your weekly email blast. These tastings and carvings will be available in limited quantities, so please be sure to make your reservations early as not to be left out.

New Menus have rolled out with new passion. **Oak Grill Lunch and Dinner Menus** have been revamped with most of your favorites remaining, but with some new additions arriving. **Dave’s Beau Burger** is a must try! Morgan’s Dinner Menu will host a variety of different offerings from week to week. Our goal is to source seasonal fresh products and find new favorites for you to enjoy. Try one of Chef David’s favorite recipes; the Cauliflower Crème Brûlée...a creamy savory custard topped with arugula and

thin shaved pickled shallots, tossed in white truffle oil.

Cinco De Mayo is just around the Corner! Find our menu in this month’s newsletter and make reservations for you and your family, as this one fills up quickly. In addition to our Fiesta Buffet offerings, get ready for our new Margarita Machine with Virgin and Adult offerings, plenty of Cerveza and chef-inspired Agua Fresca’s for the kids!

Keep in mind **Mother’s Day** is almost here Sunday, May 13th! Look forward to seeing the menu in May’s newsletter, but don’t let that stop you from reserving early.

Cabana Season is almost here as the pool goes through its renovation. Our new

Cabana Menu will feature fun, family-oriented cuisine with some tropical and summer flavors. This year’s **FRIDAY NIGHT GRILL OUTS** will be full of weekly features. You can anticipate favorites like; BBQ Chicken, Baby Back Ribs, and Smoked Beef Tri-Tip.

I am excited for this new season to begin and see where it takes us. Growing and improving the dining here at Beau Chêne is highest on my list of things to accomplish as your Chef. I am always willing to listen to your thoughts and desires while building long lasting relationships with all of you, our members. CHEERS!

GOLF COURSE MAINTENANCE

Ted Smith, Director of Agronomy

Despite the fact that we averaged around 4" of rain per week last month, we were able to complete a substantial amount of project work. We fully renovated the middle and left greenside bunkers on #9 of the Oak Course, all three greenside bunkers on #8 of the Oak Course, and all three greenside bunkers on #6 of the Oak Course. On all of these bunkers, we slightly modified their shapes in order to reduce maintenance and improve aesthetics. We also installed extensive subsurface drainage and new sand. This month, we will continue our greenside bunker renovations by moving backwards to #5 and #4 of the Oak Course.

cart rulings and stimpmeter readings (green speeds) on our new and much improved website (www.beauchenec.com). When you access the page, click on the drop down menu at the top left and then choose Member Activities. Next, click on the Golf tab and there you will find our current course conditions.

As a friendly reminder, please adhere to daily cart rulings, remember to repair ball marks on greens and fill your divots with sand. This will go a long way in helping us maintain course conditions. If you have any questions, please feel free to send an email to ted@beauchenec.com.

From a green's maintenance perspective, we strive to provide you with consistent, adequate speed and ball roll on a daily basis and we plan to achieve this goal by spraying weekly applications of liquid fertilizer and growth regulator, grooming, rolling, double cutting and lightly topdressing with sand.

We will also fertilize the tees, fairways and approaches with slow release granular fertilizer, foliar fertilizer and growth regulator to create denser turf and better playing surfaces.

Last but not least, I am also excited to announce that you can now access our daily
