# GREETING TO MEMBERS by Donald "Don" E. Beaver, Jr., CCM, CCE

ello, my name is Don Beaver and I am delighted to be returning to Beau Chêne Country Club not only as a resident, but as your Club Manager. During my previous five years (1998-2003) as a Beau Chene resident, I often mused about the possibilities of employing my management services to build upon the storied BCCC history as well as its fine facilities, services and personnel. In fact, I have the fondest memories of my youngest son, now serving in the USAF, growing up and enjoying Beau Chêne's recreational facilities within the safe and secure confines of this outstanding club and neighborhood.

My wife, Lorraine, an expert fitness trainer and real estate agent, and I will be relocating to Beau Chene along with our two dogs and cat. Our two horses will be stabled minutes away where we can enjoy them on trail-riding adventures. Our hobbies also include fitness, travel and of course, golf. (BCCC No. 3825) Throughout our 34-year journey together, we can honestly state that there has never been a locale that matched the unique culture and genuinely friendly people of the Northshore. We are certainly blessed to be returning!

Professionally, my private club management career has spanned more

than 40 years in our nation's "sun belt" area at the some of the finest clubs in the country, from Coral Gables, FL to Tucson, AZ. Some of you may even have a recollection of me as the former GM at Metairie CC from 1997-2003. Throughout my management career, I have developed a successful formula that focuses on the employee team delivering a consistent and superior member experience by providing (1) personal service with gracious hospitality and attention to detail, (2) premium quality products at a fair price and (3) well-maintained and appointed facilities such that you, the members, are utilizing your club more than ever before. Most of all, I look forward to personally

meeting you (please be patient as I strive to learn your names), the members, to learn more about your wants and desires so that fellow newly hired Executive Chef David Ramey and I can focus our collective abilities on providing you with the finest member experience in the region!

Looking forward to seeing you at the

# CULINARY PASSION IN THE KITCHEN by Executive Chef David Ramey

y name is David Ramey and I am

SPRUCE where I was apart of a team excited to announce that I will be that respectably earned two Michelin your new Executive Chef at Beau Chêne Country Club.

I have seventeen years experience as a Chef and plan on bringing a fresh perspective to the dining experience at Beau Chêne. I spent twelve of those years in some of the best restaurants in San Francisco, California where I built upon my culinary degree from The Culinary Institute of America in Hyde Park, New York.

In San Francisco I learned from great Chefs in some inspiring restaurants.

Stars. Then at 25 Lusk with Chef Mathew Dolan, where we were awarded Esquire Magazines "Best New Restaurants" and Open Tables Diners Choice "Top Hot Spot Restaurant in the United States". I also had the honor of cooking at the James Beard House in New York City in 2014, and 2015.

My Wife Katie and I wanted to continue our dream of living in some of the greatest food-centric areas of the world, and when I was presented the opportunity to become the Executive Chef at Beau

Chêne we could not pass up becoming apart of another. Family is a huge part of my life and it drives everything I pour my culinary passion into. I lead my kitchens in the same way, creating a team full of family with compassion and respect. My hope will be to make your future dining experiences with us welcoming and leave you with a feeling of home and family.

Our main goal with the cuisine will be to elevate our classic menus by bringing in high quality local ingredients, and then work on building fresh seasonal menus as we move forward. We will focus on the consistency and quality of our food

and fill you, our Members, with pride while you entertain friends, family, and associates.

We will be dedicated to bringing all of our Members a high quality of service. I look forward to meeting all of you personally as you enjoy everything the Club has to offer and I ask you to ask anything of me to help.

Here's to the future!

Cheers!

Club Champions in

3 of 4 divisions using our flex-format. We had over 75 total participants in

the tournament with some really close matches and really tight line calls. Just kidding!

Our Men's Singles Club Champion is **David Parnell**. He won 4 matches to win the singles title including a really competitive high level match versus Brandon Knight in the final. Congratulations David!

The Men's Doubles Club Champions are **Christopher Cappo and Jon Buise**! They received a bye in the first round and won 3 matches to win the championship. The final versus Hal Neitzschman and Cayman Sinclair was a hard fought match ending 6-4 in the 3rd set. Great job guys...It was a terrific match!

Our Ladies Singles Club Champion is **Alaina Wilson**. Alaina is the daughter of new member Kim Powell and she is a solid tennis player. She won 4 singles matches in a strong field of ladies including the final versus Michaela Franklin. Great finish Alaina! Alaina is also still in the mix

for the Ladies Doubles Championship as well...I'll keep you posted on the outcome of that event next month.

Our adult tennis program has been growing every month with both new members and member play. We will have 6 USTA teams representing Beau Chêne during the Spring League Season along with 3 Northlake Tennis Teams. League tennis is so much fun and a great way to meet people and compete with your friends against the other clubs in our area.

While I know we are still feeling the effects of the cold weather, spring is just around the corner. Be on the lookout for a couple of fun Spring events, including our 2nd annual Spring and Strings Tennis Mixer in March. This was so much fun last year that we couldn't wait to do it again! # GOLF COURSE MAINTENANCE

Ted Smith, Director of Agronomy

ue to the multiple inches of rain and the extreme cold weather that we received, January proved to be a tough month for course maintenance. The precipitation in addition

to fewer daylight hours, frigid temperatures and limited uptake of water by the turf created soggy, saturated conditions that tended to linger on for extended periods of time. We will continue to monitor the courses closely and as soon as certain holes become dry enough to allow maintenance, we will do our best to keep the courses free of leaves and debris. When wet conditions persist, please help us protect and preserve our courses by keeping golf carts off the turf and on the paths.

This month (weather permitting), we plan to renovate the front and left greenside bunkers on #9 of the Oak Course. To prevent major washouts and help preserve the functional integrity of the bunkers, we will slightly modify

their shape by adding soil and sod to the steep slopes. When the reshaping is finished, all new drainage and sand will be installed. Once #9 is complete, we will commence renovating all three bunkers surrounding #8 green on the Oak Course.

Later this month, we will also begin spraying our first pre-emergent herbicide application of the year to prevent crabgrass, goose grass and other unsightly summer annual weeds.

As a friendly reminder, please remember to adhere to cart path rulings, repair ball marks on greens and fill your divots with sand. Following these rules and practicing proper course etiquette will go a long way in helping us maintain course conditions. If you have any questions or comments, please feel free send an email to ted@beauchenecc.com.

Best regards,

Ted Smith
